

Thank God Akeji

**BORN**

**TO BE**

Life as the process of existence is more and has its greater reality invisibly (more of spiritual than just physical occurrences). Just as the hidden thoughts and desires of the heart and mind can never be seen until it is played out by actions through the physical hardware or parts of the body.

These parts are only influenced to action by inherently conceived thoughts which are spiritually channeled into the mind by either satanic spirits or the Holy Spirit.

Every part of the human body that does any action, good or bad received coded instructions from the spiritual kingdom. The man responds to bad ones or executed the bad instructions when he's full of flesh and/or executes the positive and the godly if he receives full life in union with Christ in whom is the full content of the divine nature.

Every human being living is a living programmed entity that only executes the codes familiar to him; he only executes the code or carries out the particular instructions that are most inherent and compiled within him.

No electronically running computer device runs or works without instructions from a computer programmer. Similarly, no human being or living being runs/lives without instructions. Right from the first day of creation, God coded all his creation by his words of commands. Therefore everything on earth works based on the code strings of instructions which it is programmed with.

When a computer program malfunctions, check out the written codes. If it refuses to run, then, repeat the programming process again, (sometimes known as debugging).

If it gives an error message, you must debug it or scab to see and clear virus.

Every man you see doing anything always does it according to the instructions written upon the **tablet** of his heart. Every man you see respond to that issue in accordance with hat he has encapsulated on the hidden dept of his heart and mind.

God did a very perfect work of conversion because a problem like a virus and an error occurred to his work.

God created man like himself with a will, the man for freedom of choice choosed to disobey because of deceit.

God's nature was the same nature with which Adam was made. The instructions of righteousness, purity and holiness were the codes which God made him with. God himself was the *instruction life* of a man for which when he works according to these [instructions] of heredity of the God-head nature, he will ever be perfect being like the almighty in his holiness, righteousness, correct-thinking and reasoning forever.

God was happy that he at least has a '*kind*' of *himself* that could interact with the physical world because he made for him (the man) a physical body to dwell in so that he could tame the garden and keep it; This he actually achieved when his arc-enemy the devil, came to tempt man, and man disobeyed God thereby loosing his place in Christ in God and left all alone, helpless and hopeless for years until Jesus appeared for the salvation of the whole human race.

***“For the free gift of eternal salvation is now being offered to everyone;”***

*Titus 2:11 [TLB]*

What really went wrong with Adam that makes all guilty, sinful, rebels and sinners? It is that God himself was in Adam and in the woman. Adam had the woman within him. The woman took the first bite but their eyes didn't open until the man in whom was the life and nature of God fully inherent agreed and also ate of the fruit that their eyes were opened. Genesis 3:6-7

The perfect source code of man's nature was immediately contaminated and stained. God, whose eyes will never behold iniquity and stay, saw this and broke up the ceaseless, continuous ever flowing relationship with man. He could no longer freely visit man with his glory anymore as we see in Romans 3:23, because man fell. For about 42 generations, sin was the ground master of the life of the children of men and the sons of God (Israelite).

God himself created man, gave him his breath gave him his own nature, took man as the one with his nature to guide his works on earth.

This his nature achieved with the trinity (God the father, son and the Holy Spirit) Genesis 1:26-27

God personally wrote himself (his nature) as the life code for man, so that by walking and living by this instructions he might be doing all that God almighty requires of him. But when he was tempted, he fell by disobeying God's words and this opened the door for error to be entered into the source code instructions with which he was programmed to run.

Just as a computer programmer will remove the encryption on the source code of a written program thereby removing or disabling the encapsulation feature of the program, and exposing it to a foreigner (stranger) that has no knowledge of your purpose for writing the program and letting him have the full access into the source code. The strange man will scatter the works because he doesn't know what your plans are even if he is very good in programming; he wouldn't know what your interest is before making the code so normal and accessible.

The enemy comes to kill, steal and destroy...but Jesus comes to give life and give it very abundantly.

Sin of disobedience was the first virus that unencrypted the nature of God in man and made it possible for other killer agents from hell to enter.

We were not programmed to be with sin from the very beginning of creation but to be like God himself. Genesis 1:27

The dangerous acts of murder, suicide, genocide, war, failure, examination malpractices and all other forms done by traders and politicians or electorates, all the robbery, bribery and corruption activities, immoralities, lust and love of money we see today, the wrong knowledge by wrong doctrines and teachings about the lord are not God's original plan for man. These aforementioned and all others in the family and everywhere else that causes harm to ma are never in God's plan for man.

There was no such written code interpreted into such evil actions in the God's creation work. Man now have all these evil codes in him manifested anytime, everywhere to anyone simply because the encryption that restricts Satan's own inputs was deceitfully removed by sin as we see in Genesis 3:7; this is therefore the reason why children are never taught to be angry, to insult, to lie, cheat, backbite and gossip, to be jealous and envious and do all manner of ill-gotten sinful habits. The door way for Satan was opened and the nature of man was *totally* corrupted by that deceitful act of disobedience. Now Romans 6:23, man was to die as a punishment after suffering and struggling to survive and giving birth in deep pains.

The world is in a great turmoil of conflict, chaos, hatred, war, lawlessness or anarchy, different levels and forms of unhealthy competition for affluence and fame, economic recession and economic melt-down, social disorder all over the world, illegal activities and all sorts of dirty and harmful situations.

Now, the *hope* of many beggars, the sick and diseased, orphans, widows and the helpless are been dashed. Many are so quickly turned into orphans, widows, some others lose parts of their body for the sake of war, or diseases that they lack fund to treat and have no knowledge of Christ or do not come to Christ Jesus to be helped; some do not come to him because no body told them about and showed them what Jesus look like correctly.

The number of fatherless and motherless babies and grown up children in orphanages and on the streets of mostly Africa is so alarming, that God commands a shout of invitation to his whom he gives the right to give salvation freely to all who comes as we see in Acts 4:12,

**Jesus is the only one who can save people. His name is the only power in the world that has been given to save anyone. We must be saved through him!" [ERV]**

**And John 6:37**

**The Father gives me my people. Every one of them will come to me. I will always accept them. [ERV]**

This son of God is Jesus Christ. He is the only way to God and ever-lasting life

**Jesus said to him, I am the Way and the Truth and the Life; no one comes to the Father except by (through) Me.**

John 14:6 [AMPLIFIED]

He is always ready and capable of saving all who believes in him-Hebrew 7:25, and comes to him as he calls in Matthew 11:28-30.

The name of the son of God to believe and serve is Jesus. Jesus is the only one who was *worthy* to break the seals and open the scroll-Revelation 5:1-7; 6; 8:1.

Emphasis on verse 2 is that an announcement went up very loud asking "who is worthy to break the seals and open the scroll?"

Emphasis on verse 3 is that, "but there was no one in heaven or on earth or in the world below who could open the scroll and look inside it.

Emphasis on verse 5 says that "...Don't cry. Look! The lion from Judah's tribe, the great descendant of David, has won the victory, and he can break the seven seals and open the scroll."

For this reason, Jesus who is worthy, humbly took upon himself the nature of a servant, became like a human being, and appeared in human likeness so that he could be tempted in every way like man, and that he might be able to feel the pains of our infirmities as men and that he might without resistance feel the force and pains and agony of suffering for man, dying for man, beaten for man's sake, punished for man's sake, his body flogged and molested for man's sake as clearly stated in Philippians 2:5, 6, 7 and also Isaiah 53, so that by all these pains he might fully destroy the works of Satan (manifest in, all works of sin, the flesh, sickness and death) and destroy the power of the sinful nature at work in every man, that all those who come to him, believing on him may receive freedom from every work of Satan and be set free from all the ruling spirits of the universe- 1 John 3:8, Colossians 2:20, Romans 6:5-8; for the full content of the divine nature lives in Christ in his humanity, and we are given full life in union with him. Colossians 3:8-10 and 1 John 3:9-10, witnesses to this.

Separation from God whether temporarily [backsliding] of permanently [to die in sin] draws you to the devil's kingdom. Every separated man from God is officially attractive to, and himself attractive to the devil.

But now in Christ, is the full content of the divine nature, in Christ is the full quality of the acceptable quality of the object of atonement. Christ is the sacrificial lamb whose blood washes away all the sins of man, purifies man's heart from all forms of unrighteousness and puts the power of the sinful to death thereby destroying the sinful, adamic nature that man is born with [is born with because every child born even right now has the sinful nature that leads to death in him, and until that child as a grown up realizes and comes to Jesus, if he dies a sinner, he will perish, God judges little ones that dies not knowing anything by his own chosen standard because they knew no sin deliberately].

In Colossians 3:8-10, we that in Christ Jesus is the full content of the divine nature (the life of God) and we are given this full life in joining together with him, that means, together with Christ we have received life eternal, life in all its completeness.

This nature which was first in Adam – Genesis 1:27, and which Adam was created with is forever in Christ and available in all who follow Jesus. This is further affirmed in John 3:16 and Hebrew 7:25,

**And so he is able, now and always, to save those who come to God through him, because he lives forever to plead with God for them.**

Hebrews 7:25 [GNB]

That which in Adam was destroyed and/or corrupted by sin of disobedience is right now in Christ available unto all who will come, the Holy Spirit is the identity of our belonging to Jesus as the scripture declares:

**And don't make the Holy Spirit sad. God gave you his Spirit as proof that you belong to him and that he will keep you safe until the day he makes you free.**

Ephesians 4:30 [ERV]

This nature and life which is eternal –John 3:16, is that which can see the kingdom of God. Anyone who comes to Jesus and accepts his teachings and follows all his way must now get rid of the old self which makes them commit sin and must put on the new self, which is created in God’s likeness and reveals itself in the true life that is upright and Holy.

**So get rid of your old self, which made you live as you used to — the old self that was being destroyed by its deceitful desires. Your hearts and minds must be made completely new.**

Ephesians 4:22-24 [GNT]

In Christ Jesus is the original configuration of the new self, which is created in God’s likeness. It reveals itself in true righteousness and holiness in our body which is made into the shows forth his glory to the earth.

Whosoever comes to Jesus even now, he will in no wise cast away for God’s benevolent love is graciously lavished upon all mankind as stated in Titus 2:11 and he desires that every man accepts this free gift of salvation from sin and satanic influence, power, manipulation, control.

Rejecting Jesus is like a young man who has an ATM (Automated teller machine) card with him and informed that there is money inside his account and yet when he is in need of fund, refuses to go and make use of the ATM card offered him to use to withdraw the money when in need.

God has given us the name of his son Jesus in Acts 4:12, as the only name through which salvation and redemption or deliverance is obtained.

He is the only one given us through which we can have the ever-lasting life; and apart from him you have no life; away from Jesus is away from real life, everything other name (or master) may have rules to follow to claim they also have power to rule their slaves but Jesus demands your faith in him only and you’re saved. Your faith in him gives you every deliverance you really need to have, *all who call upon the name of the lord shall be saved.*

All things are made to be possible in Christ Jesus just as Jesus said in Luke 1:37.

All things are been given to Christ including all powers and authorities, lords, principalities and rulers both in heaven, on earth, in the water and beneath the water, in the space, in hell and everywhere else, all belongs to the authority and rulership of Jesus Christ and every saved Christian is given the right of rulership along with Christ, Revelation 5:10 declares that we are made into a kingdom of priests and shall rule on earth.

John 14:6 declares that “Jesus is the only way, the truth and the life. No one comes to God except through Jesus.

Brother, Sister, the lord stands at the door of your heart and knocks he wants to really come into your life and change you and to establish an everlasting and unbroken connection with your Spirit and to also establish a relationship with you that’ll last forever and ever, that you might feel the comfort of his love, the warmth of his embrace, the joy of hopefulness and be saved from sin, totally washed from all unrighteousness with given grace to say no to all ungodliness and be a saint unto him.

Christ will become your wisdom your wisdom, unrighteousness, his knowledge within you will give more grace and victory and will also set you free from all the bonds of hell to you while on the other side.

**May grace and peace be yours in full measure through your knowledge of God and of Jesus our Lord.**

2 Peter 1:2 [GNB]

**You will know the truth, and the truth will set you free."**

John 8:32 [GNB]

Sisters, brethren in Christ is the fullness of real life as we witness in Colossians 3:10 and Acts 4:12, and not in any other man. Whoever has come to live in Christ is filled with a living hope.

Whoever has not come has no life eternal. Knowing Jesus and the father is eternal life.

If you've not come, he's making an appeal still over his sacrifice for you to be saved; he died on the cross and really suffered just to obtain salvation and eternal life for man.

**The testimony is this: God has given us eternal life, and this life has its source in his Son. Whoever has the Son has this life; whoever does not have the Son of God does not have life.**

1 John 5:11-12 [GNT]

Whoever has the son has this life; whoever does not have the son of God living inside of him, does not have life.

## **Born to be**

I am not born anew to waste

In Christ I have a new purpose and a predestined goal to pursue.

My goal to attain in life in Christ is my becoming what I am originally made to be.

No creature, no man is without a reason for being made.

No matter who you are, since you are born to the world, you are born for a reason. You are made for a reason and a purpose. Circumstance can never change that plan or reason for your creation. It is your response to any circumstance that matters if the reason looks like it changed. God's own reason does not change for making you; it is you that agreeably determines what your own life turns out to be.

As for God, once stated is forever stated for he is not a man that he should lie nor the son of man that he should repent. You must direct yourself into what God designed you for. Your background can never and must never limit you. God that made you considered this your present background the best for and most suitable background for a such a purpose which he made you for.

He considered and thought this background most fit to bring you into the fulfillment of what he makes you for, to become. God's plans are all sure. If his plans are not eventually brought into display in your life while you live, **you caused it.**

Your choice determines what you become. The Devil can never ever change your destiny except you allow him. Also know, God will not change your destiny -yet he can. What he designs you for is the best you can be on earth for man's benefit.

**For I know the plans I have towards you, plan to prosper you, not of evil, thoughts to bring you and give you an expected end...**

Jeremiah 29:11

Already your destiny is declared. Get into God and pursue it diligently. Only in Christ will you become the correct thing which God made you for. The Devil, witches and wizards do not even have an appropriate knowledge of what your destiny will result into. They may indeed see you have a bright star and so begin their plans to frustrate you and try to stop you from shining, yet they have no exact knowledge of your purpose in life for which God made you.

They only tried to put Jesus to death because he would bruise Satan's head. The devil never knew how this would happen, if he knew, he would not have let Jesus grow and pass through suffering and death-that saved mankind, thereby fulfilling Christ's destiny which was God's ultimate; which was God's ultimate purpose and reason for sending Christ down. He (Devil) knew that this one will surely bruise his head right from the time God caused the serpent he possessed.

**Her offspring and yours will always be enemies. Her offspring will crush your head.**

Genesis 3:15b [GNB]

It was for this reason of his foreknowledge that he tried putting Christ away even when he was a baby –**Matthew 2:16**

Look, when you are in Christ Jesus, you are a whole new creation and with a whole new identity. You have changed location and now belong to heaven, out of the reach of darkness and out of the reach of Satan are you now placed.

**He rescued us from the power of darkness, and brought us safe into the kingdom of his dear son.**

Colossians 1:13 [GNB]

Every baby born into the world had a purpose already ready declared in God before he is sent into the world. Every child born today is sent to the world is sent to the world to fulfill a reason. If that child was without a reason, God will not let him be born. God does everything with a purpose in his heart. The sperm from the man that fertilizes the ovary of the woman to produce an offspring is with an infected and corruptible configuration because of sin. That's why however careful, moral and satisfying a parent is to the young one as he grows, the destiny of sin is declared-for it will lead all its suitors into wrong choices that appears to be right, through influence on the flesh (human nature) and eventually lead the child to hell fire if his life's opportunity as he grows is not well directed unto surrendering all at the feet of Jesus.

God's own plan, purpose and reason for designing anyone is declared before the child is sent into the world. But until the child as he grows is led to Jesus and to find his purpose in Jesus, he will never be able to discover it and fulfill it.

Jesus is the source of real (eternal) life for all mankind. Until you have yourself given unto Jesus, you may never be able to become the exact thing you were designed for.

God never made man or brings any baby into the world to journey through into hell; if he did that, then he must be a wicked father. No, no, no! his intentions for man is a sweet garden-like kind of life, that is destined to end up in heaven on the last day, bringing unto him the sons who returned back unto him from the fall at the beginning in spirit and in truth: by trusting in Jesus and surrendering their lives under his lordship.

All man's purpose must be fulfilled in Christ if it will give God the father glory and honour.

When you run your life your own way outside Christ and it seems you are becoming something very great yet outside Christ's lordship, you are only pursuing vanity, vain glory and you will crash soon to utter destruction. You cannot run it and make heaven if Christ is not the ground controller of your life. You must have to allow Christ's influence over your will and whatsoever your instinct leads you to be doing that you feel is right.

**From now on, you must live the rest of your earthly lives controlled by God's will and not by human desires.**

1 peter 4:2 [GNB]

Oh yes! Indeed you are born to be something in manifestation but, it will be glorious unto God if and only if you allow God's lordship over it and let the will of the lord be fulfilled in that venture of yours.

Do you notice a lot of the financially successful people living, until all your success springs forth from the father, it does not glorify him.

No matter the great measure of your wealth, until you are getting that wealth in God he is not glorified. Don't be deceived if your pastor collects the gift you brought unto God which you yourself know that the root is false, God rejects all who like Cain are not given unto him in life first.

Of course you will apply the human rules for success, all the intellectual labour and diligent practice of all seven, seven, thirty-one secrets and principles of having wealth and success may prove true by producing wealth and you are happy. Yet, without Christ's input through obedience to his word and will, God is not glorified in your success. Listen, it will never last long as much as God planned for you if the input of eternity is not applied.

For any man to become anything which God made him to be, certain divine principles must be applied in faith. God made Jesus Christ our wisdom.

Jesus is the wisdom and power of God unto all who believe. Jesus is the right wisdom for all wealth and success. Jesus is our God given power to produce wealth.

**But for us who are being saved, it is God's power.**

1 Corinthians 1:19b [GNB]

**But God brought us into union with Christ Jesus, and God has made Christ to be our wisdom...**

1 Corinthians 1:30 [GNB]

**Always remember that it is the Lord your God who gives you power to become rich, and he does it to fulfill his promise to your ancestors.**

Deuteronomy 8:18 [TLB]

To become what you are born to be, there certain factors which we must put in keen consideration. May God make you come into understanding and also help you believe.

If any one must a taste of goodness and experience proper success in life in all his/her ventures, consider these and God give you understanding.

### **BECOME LIKE CHRIST**

Becoming like is God's key to an abundant living in life in every venture.

This is the destiny of every one who comes to God. God made man to be the custodian of his life, his nature here on earth so that he can bring the earth under control for his glory on his behalf.

**Those whom God has chosen he also set apart to become like his son; so that the son would be the first among many believers.**

Romans 8:29 [GNB]

The verse after this explains how God intended to carry this out.

**And so those God set apart, he called; and those he called, he put right with himself, and he shared his glory with them.**

Romans 8:30 [GNB]

Here we see that even before we were put right with God through Christ's death, we were called, we had been set apart. Now before we were set apart, God had chosen us. You who is reading this now was chosen as well.

God's predestination was an ultimate goal he set for himself. He predestined everyone he would call. It means, God already declared your destiny and said, these ones I will call are to become like Christ.

You are indeed called to be. You are indeed born to be, born to become like Christ Jesus who is the exact image and visible likeness of the invisible God. Consider all of your ways, it has a single destiny-to be done as Christ will do it. If you become anything less than what God made you for and what Christ died for, God's purpose in you would not have been fulfilled.

This great plan of God was long before you were born into this world. No matter what your endeavors will be in life in God, you have a pre-destination long stated before your natural birth **to be exactly like Christ in every way for God's glory**. This purpose is God's essence of spiritual re-birth (being born again). Whosoever is born again signs for the long term predestination of becoming like Christ while still on earth. This is the praise of the almighty, the joy of the father, it is to see all mankind return unto him, a recovery from the fall and become like him yet with the physical body to engage the earth by kingdom principles.

Christ Jesus is the destiny of every born again child of God.

**What defines a Christian's maturity is the amount of Christ's life that he carries.** You are not a matured Christian because you have spent many years in church. You shouldn't be ordained an elder or leader over the church (God's people) because of your age or because of your age or because of your consistency and devotion to church activities. They are good point in themselves although. But you should be regarded as any of those because of the amount of Christ's life-**God's own nature that has been formed in you**. Christ is the destiny of a Christian. As you walk and live on as a Christian despite all your endeavors and activities in life, you must continue to know that to be-come like Christ at the end is your ultimate goal, **nothing more and nothing less that**.

A Christian's destiny is not to develop great treasures here on earth. The world defines successful people as those who have acquired money, fame, houses, estates, having great measure of property and so on, or those who has used their initiative and innovation to get wealth, fame, and affluence and brings their world under control because of their achievements. This is just the truth to the earthly kingdom.

But for child of God of the heavenly kingdom, a successful destiny is founding being formed into the image of Christ. A successful is one who by God's wisdom, spirit, word and blood of Christ is conformed to the image of Christ in reality. A wealthy Christian is one who is pure and righteous by Christ and by obedience to the world of God, and who is full with the revelation knowledge of the truth of the gospel conforming to the image of Christ **-GOD MADE VISIBLE**.

Every genuine child of God must never forget this predestination. Live with the knowledge of your destiny in Christ, talk about it, pursue it, live in it and work at attaining it everyday, channel every of your strength into that destiny and never lose focus, make it your ultimate goal and avoid everything that can ever hinder you from entering into this glorious destiny. Your flesh will fight against it but we already have a sure victory in Christ. Put your flesh under control and become also become an ambassador of the invisible God but made visible in flesh now that Christ Jesus has kept us here to show forth unto the world the nature we were made with originally so that the creature might see and know.

**And so we shall all come together to that oneness in our faith and in our knowledge of the Son of God; we shall become mature people, reaching to the very height of Christ's full stature.**

[GNB]

**For the full content of the divine nature lives in Christ in his humanity, and you have been given full life in union with him.**

Colossians 2:9-10a

**His intention was the perfecting *and* the full equipping of the saints (His consecrated people), [that they should do] the work of ministering toward building up Christ's body (the church),**

**[That it might develop] until we all attain oneness in the faith and in the comprehension of the [r full and accurate] knowledge of the Son of God, that [we might arrive] at really mature manhood (the completeness of personality which is nothing less than the standard height of Christ's own perfection), the measure of the stature of the fullness of the Christ *and* the completeness found in Him.**

Ephesians 4:13-14 [AMPLIFIED]

**This desire of the lord is so intense that he has cut away all hindrances through Christ's death. He has removed sin, conquered our flesh and he gives us grace to always say no to our ungodliness so that by this grace that's available unto us we might become what we are born again to be.**

**For we are God's [own] handiwork (His workmanship), recreated in Christ Jesus, [born anew] that we may do those good works which God predestined (planned beforehand) for us [taking paths which He prepared ahead of time], that we should walk in them [living the good life which He prearranged and made ready for us to live].**

Ephesians 2:10 [AMPLIFIED]

Let everyone that has an ear hear these sayings of the lord and believe in them with all his heart and walk in them without fainting. In Christ Jesus, we are born anew that we may do those good works which the lord predestined [planned before hand] for us to do.

You are God's handiwork that is recreated in Christ Jesus born again just to become what you were originally made for. This means every one of us who are born again are on the pathway to our destiny-doing good works. This was the purpose Jesus lived for and he kept us back for now so that we also fulfill pre-destined plan of God.

**You know about Jesus of Nazareth and how God poured out on him the Holy Spirit and power. He went everywhere, doing good and healing all who were under the power of the Devil, for God was with him.**

Acts 10:38-39 [GNB]

This is what our recreation is meant for. It is doing good to all men everywhere, healing the sick, raising the dead, setting captives free, healing/mending the brokenhearted and doing all good deeds through the Holy Spirit in union with Christ.

We must work at becoming like Christ Jesus in all things. Let the same mind which was in him also be in you who are his followers. Every one who claims maturity in church is not really matured if his daily activities is not filled with or characterized with doing of good at different levels of opportunity.

Have you been blessed of the lord financially? How are you doing good to people with your finance? How many poor have you considered, and how many extra hungry people have you fed or how many homeless destitute have you sheltered, clothed and/or given a living hope? Or are you just consistently securing a future you are blank/dark about, by building several estates, hotels or just focused on investing all you get? I am not speaking against your investment activities but that wealth came unto you for good doing.

God made you recreated you in the image of his son so that he can trust you with the treasures of the earth which would be wasted and misused if given to an unbeliever. He entrusted you with that level of wealth so that you can care for the needy. He gave you great words of wisdom so that you can solve difficult problems. He recreated your life and entrusted you with words that heals the brokenhearted, set the sin/sickness captives free, announce the good news of peace and rest to men and he has given you all you can realize in you for the purpose he made you **–recreated you.**

Becoming like Jesus is a process coordinated by the Holy Spirit and every believer must be deliberated in keeping in training by that great teacher-the Holy Spirit in order to attain that life destination, **Jesus**. This great destiny is entered through **concerted discipleship process** everyday of your life. You must obediently follow the lord as he teaches you and works to impart his life into you, **this is your destiny.**

The lord Jesus had already spelt out for us the attitudes of the people of the kingdom of God. He has laid down for us in the scriptures inexhaustibly the attributes that defines the kingdom lifestyle.

**And seeing the multitudes, He went up on a mountain, and when He was seated His disciples came to Him. <sup>2</sup> Then He opened His mouth and taught them, saying:**

**<sup>3</sup> "Blessed *are* the poor in spirit,  
For theirs is the kingdom of heaven.**

**<sup>4</sup> Blessed *are* those who mourn,  
For they shall be comforted.**

- 5 **Blessed *are* the meek,  
For they shall inherit the earth.**
- 6 **Blessed *are* those who hunger and thirst for righteousness,  
For they shall be filled.**
- 7 **Blessed *are* the merciful,  
For they shall obtain mercy.**
- 8 **Blessed *are* the pure in heart,  
For they shall see God.**
- 9 **Blessed *are* the peacemakers,  
For they shall be called sons of God.**
- 10 **Blessed *are* those who are persecuted for righteousness' sake,  
For theirs is the kingdom of heaven.**
- 11 **"Blessed are you when they revile and persecute you, and say all kinds of evil against you  
falsely for My sake. 12 Rejoice and be exceedingly glad, for great *is* your reward in heaven,  
for so they persecuted the prophets who were before you.**

Matthew 5:1-12 [NKJV]

These beatitudes are his own life written out for us. They are a written code that explains what God desires to see in his children as he walks them through the discipleship process, inculcating these attitudes into all his sons and daughters. The teaching of the sermon on the mount is the teaching of the life God wants all predestined sons to carry and live life with as they do all their day-to-day activities. **It is a very wonderful kind of life.**

These Christ's life written down and visibly manifested or displayed in Christ's life is what every true child of the kingdom should be. They are an end in themselves. These words are the source code file of the life in Christ-**the divine nature.**

These are the words we are meant to be, for all men to witness in reality.

Our lives are to actually be an execution of the divine codes, the words of the father. We are meant to act the words.

Being like Christ is God's key to abundant living. It is God's key to success in every kind of venture entered into by every child of God who has returned unto him and is recreated. It is the life of the new order; **the way of the spirit.**

**We serve in the new way of the spirit and not in the old way of the written code.**

Romans 6:6b [NIV]

What we've received of the new covenant is Christ's life written down by the spirit on our heart, a fulfillment of the law (written code) of the Old Testament.

**THE DESTINY OF THE CHRISTIAN, THE DESTINY OF THE CHURCH**

Every true child of God who is recreated in nature having dropped the corrupt nature and living on in the divine nature has his destiny wrapped up in Christ Jesus.

Christ's life is the destiny of a Christian. In other words, the destiny of a Christian's life is the life of Christ.

Christ's has a mature stature which every Christian must eventually become together.

**He did this to prepare all God's people for the work of Christian service, in order to build up the body of Christ. And so we shall all come together to that oneness in our faith and in our knowledge of the Son of God; we shall become mature people, reaching to the very height of Christ's full stature.**

Eph 4:12-13 [GNB]

Consider also how the King James Version puts it:

**For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ:**

**Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ:**

The underlined words '*all*' and '*perfect*' means that the edification and perfection of the saints unto the measure of the stature of the fullness of Christ must be effective on every saint who is and who will be a member of the body of Christ (the church). The truth is that the destiny of a believer is the destiny of the church.

**In whom all the building fitly framed together groweth unto an holy temple in the Lord:**

**In whom ye also are builded together for an habitation of God through the Spirit.**

Ephesians 2:21-3:1 [KJV]

Now when a believer is pursuing his predestination-diligently following the lord by his spirit to become a full grown and mature person reaching to the very height of Christ's fullness, whatsoever he becomes is what the whole member of the church knitted together by the Holy Spirit becomes.

If one member suffers, the whole body suffers and if one body prospers, the whole body also prospers.

So God in his love and mercy has made the place for Apostles, Prophets, Evangelists, Teachers and Pastors to be able to each impart what they've been given by the Spirit of the lord for a particular Christian at a time and others at other times and the Holy Spirit carries out the great regulation of one Christian receiving what each of these people are given of the Spirit for his sake. This process goes on in his life everyday. All the meetings, *large* and *small* that he must attend is being arranged by the holy ghost and he just finds himself there at just the right time to get what God has in that meeting for him to equip him, edify him and build him up until he becomes mature man reaching up to the very height of Christ's full

stature so that he can be perfected. This imagination is done by the Spirit of God; the omniscient God who is everywhere every time in the church in the life of every individual saint with God's Spirit which connects him always to the places where God has dropped his spiritual blessing every moment.

When he is raised and all others are raised, the church will definitely grow up to that oneness of faith, being likeminded, having just the same knowledge of the son of God and becoming mature people reaching to the very height of Christ's full stature because his nature is being formed in them.

Every Christian Brother and sister therefore should come to this understanding, having a good knowledge of the common destiny which we share that is to become Christ by nature.

We however must yield completely to the dealings of the lord every time and be ready to embrace his will for every situation with joy.

You and I and all Christians have been set apart to become like Jesus. This is a great destiny to fulfill. The greatest destiny that will ever be; becoming like God, operation with the nature of God the father within us, applying it unto everything we do. The result of our work here on earth when done with this nature is ten times better than the use of the human wisdom – product of the human nature which causes death and decay in results.

We need to grow beyond the elementary basics of repenting from sin everyday, every hour, every moment we want to pray and grow unto this fullness, being filled with the divine nature.

The word of God says:

**Strip yourselves of your former nature [put off and discard your old unrenewed self] which characterized your previous manner of life and becomes corrupt through lusts *and* desires that spring from delusion;**

**And be constantly renewed in the spirit of your mind [having a fresh mental and spiritual attitude],**

**And put on the new nature (the regenerate self) created in God's image, [Godlike] in true righteousness and holiness.**

Ephesians 4:22-24 [AMPLIFIED]

This renewal is what I pursue everyday of my life; I am being renewed in the Spirit of my mind day after day, night after night. Let's all make *constant* Spirit and mind renewal a goal everyday. If we must all actually come to the oneness in faith, likeminded and reaching the full stature of Christ, then every one of us must make up his/her mind today to make a top goal, the purifying and renewing of our minds to become the spotless body of Christ *his bride*. Do not relax until you are carrying the full life of Christ in you; day after day through concerted discipleship relationships and constant hiding out alone with God to show you your real personality which you do not know. God is expectantly, gladly and always patiently waiting for

his you to always retreat from the world's activities unto you that he might purge you with his mighty strength so that you can enjoy the abundant riches of his wealth.

Since you and I are the church, it means that what we become is what the church becomes and known to be.

A lot of God's children some of whom he entrusted this glorious gospel failed him. This generation, we must not fail after opening our minds to such great mysteries as this.

Our pursuit, our goals and aspirations should not be found in the acquiring of property, buying of lands to appreciate, getting new car models, and using all new phone and technological gadgets. Look the world and all these things are passing away. These are the things the gentiles run after and the days have dawn on us. The *last days* are here. Keep your self free from the *love* of money and pursue love for the lord. In these days, instead of getting drunk on wine, get filled with the Holy Spirit and fill your heart with the message of Christ in tapes, videos, books or other forms.

The more you are filled with him and taken over by the Spirit of God, the more chances you have to manifest the fruits and gifts of the Holy Spirit. You become that which you take in, therefore pursue the knowledge of God in his word and you'll be filling yourself with the source of good life. Christ is our peace; he is in you constantly renewing your new being in his own image, in order to bring us to a full knowledge of himself.

**This is the new being which God, its Creator, is constantly renewing in his own image, in order to bring you to a full knowledge of himself.**

Colossians 3:10-11 [GNT]

### **CHRIST MY DESTINY, THE BENEFITS**

**I do this in order that they may be filled with courage and may be drawn together in love, and so have the full wealth of assurance which true understanding brings. In this way they will know God's secret, which is Christ himself. <sup>3</sup> He is the key that opens all the hidden treasures of God's wisdom and knowledge.**

Colossians 2:2-4 [GNT]

Everyone who is being constantly renewed in the Spirit of his mind, with *certainty* lives with a *full assurance* of *salvation* and hope for a future that brings with it an expected end. If you pursue your destiny in Christ, you will certainly live with different levels and measures of abundance everyday of your life. You will always have a divine backup in everything you put your hands into by faith as God's will.

Whosoever is living with the divine nature is always in the Spirit right in the presence of God are legions of Angels. God himself becomes your habitation and environment. As you live daily with the consciousness of his shelter over you, you will live in constant safety and excellence.

Success is your lifestyle because you will not see defeat, shame and failure, even frustrations you will never experience while in the Spirit.

**I will make thee an eternal Excellency, a joy of many generations.**

Isaiah 60:15 [KJV]

Imagine living with the nature that is ***all-knowing***, always present everywhere, and all-powerful; it means nothing can be hidden from you which you need to know, you can be shown anything happening in the deepest secret places where the human nature is limited to, you will be walking with divine power and authority to do and undo anything. You will create and destroy with your lips.

**Today I give you authority over nations and kingdoms to uproot and to pull down, to destroy and to overthrow, to build and to plant."**

Jeremiah 1:10-11 [GNT]

Whatever decree you make by the Spirit in the lord's name will surely be executed by the divine Spirit of God.

**The Spirit of the lord speaks through me; his message is on my lips.**

2 Samuel 23:2 [GNB]

I am living with the knowledge and understanding that the Spirit of the lord is responsible for the words I speak all the time and so I keep my self in training for this reality. I don't joke with words from my lips, every word Jesus spoke were *life-giving* therefore all my words before spoken out are well screened and God has been leading me and helping me daily confirming its reality and possibility. Coarse [foul-mouthed, vulgar, rude] jokes are put to death on my lips and words that create life and revive the soul and Spirit of men are words I speak.

When you live with the divine nature (your destiny), the Spirit of the lord always wants to be the one speaking out through you. You must not let your flesh to be heard as it wants to speak; it cannot create life as a backup of the destiny within, constantly renewing your mind.

**...his message is on my lips**

Whoever is living with the divine nature has only the lord's message, every conversation is also a message to the hearers.

The lord actually desires that his own message should always remain on our lips and speaking it out to his praise whenever we want to speak

Do you want heaven to honour all your words and bring it to pass, then always let the Spirit of God speak out through your voice whenever you desire to speak. Live with a lips upon which is the message of the lord made ready so that miraculous acts and healings can become a habit for you through the new life (the divine nature) inside of you. We see that working of miracles and healing the sick and delivering the demon possessed was only a habitual exercise and Christ's own ways of doing good.

**How God anointed Jesus Christ of Nazareth with the Holy Spirit and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with him.**

Acts 10:38 [KJV]

Did you take note of the last statement? It says “for God was with him.” I assure you by this word of God that the same is true for all who are being renewed into the image of Christ.

The more renewed you are, the more of the divine nature you carry or are conformed into and the more filled you are with God’s presence. There would be no way you won’t be living with miraculous signs, healing virtues, words of knowledge and all their manifestations of the Spirit of God when you are renewed day after day into the image of God the creator of the new life, the divine nature in us.

Secrets will become opened for you. Great and hidden mysteries will be yours to understand and share.

**Jesus answered, "The knowledge about the secrets of the Kingdom of heaven has been given to you, but not to them.**

**"As for you, how fortunate you are! Your eyes see and your ears hear.**

Matt 13:11, 16 [GNB]

Daniel had an excellent Spirit within him. It was the Spirit of the lord. He had knowledge into divine insights and easily got great understanding about every hidden secret. Likewise and even more greatly if you live with revelation and knowledge of the lord’s will, knowledge of all sciences, arts and all literatures. Difficult answers will be supernaturally shown you when necessary by the Spirit. Even solutions to deep questions you’ve never known before will be revealed unto you for the lord’s glory.

Whoever is living in God, and Christ's nature also living in him is carrying in him the key that opens all the hidden treasures of God’s wisdom and knowledge and nothing will be ever difficult for him.

**I do this in order that they may be filled with courage and may be drawn together in love, and so have the full wealth of assurance which true understanding brings. In this way they will know God's secret, which is Christ himself. <sup>3</sup> He is the key that opens all the hidden treasures of God's wisdom and knowledge.**

Colossians 2:2-3 [GNB]

He will run into unimaginable trouble and easily find his way out because the Spirit will lead him. He will be in a class with several others but he'll gain more understanding and very quickly because the key of the knowledge and wisdom taught him in the class is right with him, giving him easier pathways to understanding what the lecturer teaches. The great of all and source of all knowledge lives in him, he therefore cannot fail for lack of knowledge; the divine nature, the source of all academics is his private teacher, who interprets all, the lecturer is saying unto him in a format or in a language he will understand better and in fact with pictures of instances and examples more easy to give proper understanding than even what the lecturer/teacher can know. Although, he doesn't have to struggle with others.

A full wealth of assurance is given by understanding- Colossians 2:2.

This great teacher of the divine school within is indeed a divine tutor. The Holy Spirit inspired the writers of the scriptures written for us as we see in 2 Timothy 3:16. He is the author of the bible- and if the author of the scriptures lives inside of you, it means that no truth however hidden can remain hidden to the one whose nature is now divine with a mind constantly renewed to determine the lord's will at every step.

If the wealth true understanding brings is possible then the Holy Spirit inside will give Christians wealth in any area at all by virtue of the understanding he delivers.

The regenerated Christian will enjoy a full wealth of health by the understanding which the spirit within produces.

The Christian with this nature will also very effortlessly produce wealth so much for others' benefit too by the true understanding which the divine nature supplies by the Spirit.

The Christian lecturer will have the best examples to use, the best teaching method, the best language construct to use and best teaching skill for his student's to much quickly gain the understanding of the message he wishes to deliver, by the true understanding which the Spirit gives him moment by moment.

The Christian's business will have very wealthy ideas for entrepreneurial development.

The Christian student in this destiny will find every learning process exciting, however boring it is for his peers.

The market woman will buy and sell with the wisdom which is ours of the divine nature and will make greater sales and profits that her contemporaries.

The leader of a group in this destiny will lead the followers with wisdom much higher than the human wisdom of the earth because the wisdom is divine, that which is used in the kingdom of God.

The politician who lives in this our common destiny will be able to his politics and every other professional in every field with this divine nature will excel beyond human comprehension.

Whatsoever a Christian has to do and he carries in him this renewed mind and this very nature of God, the result will be too great to explain.

This is the wisdom of God which he hid for many years but now brings into display after Christ's death. It is that whosoever hears his call and come might just walk into the predestination of being transformed and conformed into the image of Christ Jesus, our *destiny life*.

## IN CHRIST BORN TO BE WHAT?

### 1. A Doer Of Good

**For we are God's workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them.**

Ephesians 2:10 [KJV]

Every child of God must give God praise for recreating us anew in Christ Jesus, just so that we might not live a purposeless life but live with the reason of doing *good works* in every little opportunity we get, because it is our predestination and we must walk in them because Jesus walked in them – Acts 10:38.

### 2. A Defender [Elijah]

**Elisha saw it and cried out to Elijah, "my father, my father! Mighty defender of Israel...**

2 Kings 2:12a [GNB]

It was Elisha who used the statement that Elijah was a mighty defender of Israel. You are not relevant in the house of God until you have a role playing in the building up of the body of Christ. In the role you play, you a defender must defend your wing well so that the devil may not find a loop hole into the body of Christ by your wing...you must defend well.

Your are either a watchman, a preacher, a singer, a musician or any other in the house of God. Your wing is unique to the measure of grace which Christ has given unto all saints. God is not saving you and recreating you in Christ to just sit down back in the pew. You've got to rise up and take a post like an army on a battle field, your supposed wing must not lick; the enemy of the cross is so crafty. You should have a post or a wing to defend Israel (the church) and for the faith of the gospel of Jesus Christ. God will not raise wasters of anointing. Let your little light shine right where you are, we need you there now.

## The Christ of the church the head of the church

The whole resources of the body of man come in through the head. Every part of the human body collects its resources for proper growth and development through the head of the man.

Through the eyes, pictures and images are seen, through the nose, breath is taken in and out of the body. With the mouth, words conceived are spoken or voiced out. It is just very obvious that the entire large body. With the mouth, words conceived are spoken or voiced out. It is just very obvious that the entire large body of a proper man is fed with the components of the

head – the mouth, nose, eyes and ears. These major organs of the face that gives shape to the face of every man are almost the most important parts of the body system. The head component of the body if neglected in proper care, the entire body will suffer it. The eyes is in the head and if the eyes is not well cared for, the owner will suffer it and the eyes may go blind. When the ear of a man is not cleaned up regularly, the owner will suffer it and the ear may be damaged and eventually go deaf. When the mouth is not properly cared for regularly, I wonder how the owner will be able to communicate with others after sometime. Everyday, we must refer to our organs for every information or resources which the body needs to stay alive. Some of these organs are, are, food, water sound, speech, pictures and images.

Tell me this night brother, can a normal human being do without food and water? Which man can comfortably survive without air? Who is known as complete man who has no sense of hearing? Who is regarded normal who doesn't speak out? Even the ways of a mad man who talks to himself is super to a dumb fellow in this regard.

The state of man is same as that of the church in this generation; whichever church that does not regard its head, is as good as abnormal.

You give writing or a speaking assignment to a man who has eyes to see and ears to hear what he's told, on a paper. You give a message to a man to deliver who has voice to speak and mouth to declare.

The body of Christ has disregarded the head component of the body that supplies all major inputs for growth into a complete organism. Except the body of Christ decides to come in repentance of their former neglect of the head, the devil will always win battles set against the church which is to be a united soul with Christ, but now it is an independent entity of Christ. The church is the completeness of Christ.

All resources that takes the church to the matured height is found in Christ Jesus. Jesus Christ who is the eternal destiny of the church when matured, he has been disregarded for several years and simply kept aside in all areas and arms of the church.

Why do you think the world's system of operation is partly practiced in church to increase population of the congregation? It is because, the eye of the church is not seeing well. The eyes have been damaged and she cannot see errors in any of such practice. The sight component is found in the head. Reject the head, you in turn reject the eyes. Even when God who sees all the world with his seven eyes sees this evil creep into his son's bride, he tries to show his servants (the prophets or pastors) and they too cannot see the error as God sees it because they have been blinded by money and the lust for acquiring treasures on earth by any way possible.

The household of God kicked out Christ the head of the church who gave up his life as a ransom and blood sacrifice for the purchase of the souls of men who in becomes the church, but unfortunately the church has lost the entirety of the soberness for the death sacrifice of Christ Jesus.

Not just that, listen!

*When a man finds a woman for a wife, he's jealous for her and would do all to keep her. Jesus did same, gave up his life to wash us from our filthiness and sin, and gave us new life, sealed us with his own Spirit so that we can live with a guarantee that we will be sealed on the last day- as we see in Ephesians 4:30, but yet we do not see what he has done.*

Because we lost our sight, we also have lost the right image, the correct picture of the life of Christ which we are to live. Christ is our destiny and until the church regards Christ and return unto her, the destiny God had predestined as recorded in Romans 8:29 for us will elude us majority of the people who go to church has not seen Christ with the eyes of the Spirit, through the written word of God, we do not surrender our time to know him intimately and personally and yet we continue to come to church, to do what? I don't know. Because the body of Christ kept the head aside, we cannot even describe the right image of Christ to any unbeliever because, even parents do not have a good knowledge of the life of Christ and tell me, what is the possibility of reaching the unreached with the right word, from the right revelation of his person.

A lot of our brothers and sisters so zealously embraces the place/assignment of evangelism but sometimes I wonder what some of them are going out to tell people of Jesus even when they do not have the correct view of Christ's person.

Whenever you go out to preach to anyone and you only go to say that which you were told of Christ and not that which you know by personal encounter with Christ, *take heed*, that which you are told of him may be a lie or a false teaching and you'll only be bearing a false witness when you tell it out unto anybody, however small it is. You cannot describe who you do not know. Therefore living with less concern for the head as a follower is an evil thing.

The church of Christ is to be a light for the world but imagine what it looks like for the light to remain turned off even when there is the energy to turn it on. Think of the shame of the weakness of light in darkness which refuses to shine. The light of the church of Christ presently does not shine out darkness because the church does not see Christ very well. She does not see Christ very well because the leaders do not preach Christ well to show the entire church who Jesus is, and the world cannot behold Jesus in the Christians because the Christians are not well conformed to Christ's image up till now. The entire church is not well conformed to Christ's image and so cannot express Christ's life in every way fully, meanwhile it is only Christ the light of the world that makes the church lighted or shining *Ambassadors* in his behalf. Until Christ is correctly *seen, accepted, believed, spoken and lived*, the world will remain in continual darkness

As we try to begin to work into one another as church, we must unitedly grow into the image of Christ's fullness so that we can invite Christ to come upon us in revival. When your church assembly calls to heaven for a revival of the lost glory of God in the entire church organism breaking the bonds of self-centered Christianity and cut across denominationalism, Christ Jesus will be glad, but if not he will simply yell, "how many church die I die for and how many churches will I come to take with me? The bible says that Christ is coming back for the church that is pure and spotless, and without any wrinkle; he didn't say that he is coming for the

churches, so why is the church divided because of doctrinal differences? If every church is preaching Christ and him crucified, all the differences we have today in the various wouldn't be there. Why can church A not see church D and church H as their brothers and sisters to even pray for them and support their projects?

We must awake saints. Every man and woman who's called by the name of the lord should see and take every other likeminded Christian as a fellow man with whom he has the same destiny; Jesus is our destiny and we must all grow into him together and even help one another grow into it. When you pray for your church, pray also for every other church assembly who has the even a different name from your own, please and please Christ is making this appeal through me right now. Christianity is not a competition between us Christians, it is rather a fight we must all help one another to win because we are one, with one Spirit, one lord, we are going to the same heaven, and the life of Christ is our destination. We are all growing unto becoming like him.

Where and when we are not one, we are wrinkled. If you desire to have God come down to the church to show his power, fit into the entirety of the body of Christ so that we can grow together into a single person, and all looking like him in every way. I belong to the family of the interdenominational. Let's us all make Christ and him crucified our only message. It is the only message that will change and forever transform the lives of its hearers. Don't bother about how that will happen. God knows how best to coordinate the workings of the Spirit using the word. You don't have to changes your message to attract crowd. Jesus doesn't want crowd at all, he wants disciples who have been truly affected by the truth spoken however rough and plain it may be; that is the way of the cross, it is not palatable to receive, it is like fire, like hammer, like arrow that breaks through anything at all.

Let every shepherd of God's flock know Christ correctly and on a personal note and teach people to know Christ and to become like him even in his death. The false teachings and **Christ-less** doctrines preached by some pastors today do not open our eyes to see Christ. This is why God laments that the *present* church has no eyes to see even the man she is following very well. The moment a wrong teaching is accepted, taught and believed, the peoples mind are the more darkened and their also gets blinded. When the preacher throws the glorious gospel always for another idea of a man, demons or free thinkers and philosophers, it is a form of rejection of the head of the church (Christ) of whom he/she is a messenger to. It is like turning against your master to another master and answering the call of another master.

Preacher man, return unto sane teachings of Christ. Preach Christ and him crucified and nothing more. Teach about the accomplishments of the birth, the blood of Jesus which is to atone for sin and cleanses us from sin and set us free and the death of Christ which is death of our human nature; his baptism which is our death with, his resurrection which is our rising to a new life in glory. Do not allow financial-wealth preachers of another gospel to intimidate you with money and earthly treasures. Do not follow their message however well they've supported your work contribution for the gospel of Christ which targets the transforming of

lives of men and raising up sinners into saints so that they may with other Christians grow into the oneness of the faith and become mature people in the stature of the fullness of Christ.

The church abandoned earnest and patient seeking of Christ in their projects and for that, we sometimes struggle and struggle just to get adequate fund to complete a particular project. We do not see well what the father shows us about his priority so the church can pursue.

We simply translate 'build me a temple to dwell' to be build me a housing structure to dwell which most times is not the right interpretation. Sometimes when the lord will be telling the church, build me temples, we soon begin to plant churches all around as if God wants to duplicate himself into many places and then simply name it all sought of names, The house of praise, God's dwelling arena, or the house of mercy, or the tabernacle of the holy one international and many strange names; and we just continue to give the wrong meaning and translation to that which we hear the lord say to us. God may be saying, 'Build me lives worthy for my dwelling place', and because of our shortsightedness or poor sight, we may not even be able to interpret correctly what the father mean. Until the church gives regard to its head again, we will be headless and a headless man is a directionless and purposeless man.

Hmm, how God laments over the terrible state of the church for refusing to preach Christ to themselves. Faith comes by hearing, and hearing by preaching Christ, as Paul writes in Romans 10:17

**So then, faith comes from hearing the message, and the message comes through preaching Christ. GNT**

The church is so ineffective today and deals with only shallow matters about her and the people. We are just so ineffective in this world, because we see as the world sees. The spiritual eye organ of the church of Christ that enables the church see death under a large sum of offering/tithe brought by a thief and murderer has been pushed away since the day we decided to run church as our own and as our business with our logic, intellect, wisdom, money, wealth and connections. The church shallowly celebrates a man who simply comes to become a great financial relief to the assembly and simply ordains him, giving him a position to occupy for his financial status quo. O! Behold the sightless body of Christ which does not see matters deeply beyond the physical as Christ sees and to have him shown unto her.

Jesus will always see as the head the sight of the body but wouldn't pass the message to the church simply because the church has despised him and his ways and would prefer to run/grow up on her own, as if she made herself and/or saved herself. No, the church belongs to Christ and Christ must be allowed to lead his church into every will of his. Christ will really coordinate the resources from him to the body very correctly only when he is connected to the church.

Our father really wants to show us his secrets but there are no eyes to see them. He is Spirit and so supplies visible resources with the eye of the Spirit to see. We ought to see the spiritual part of a physical resource.

The church is born of the Spirit because God is Spirit and so God can only relate things to the church to see through the spiritual eyes of the Christian. But see us today, we judge every matter with the eye of the flesh and not see the spiritual root of that matter. Brothers and Sisters, let's all reconnect to Christ our source of living and tap our nutrient from him. Every matter you see made manifest physically has a spiritual root and must be seen with the eye of the Spirit.

When the world system is introduced into the midst of God's people, only those whose eyes are not seeing spiritually because of existence with the divine nature, only those people can quickly detect it and see it and then pass it to the entire church.

Anytime Christ Jesus sees an error doctrine, false teaching, and false teachers coming to settle in his body (the church) he simply relates it to those whose eyes are spiritually sensitive. He doesn't want anyone to perish unawares.

**My people are destroyed for lack of knowledge;**

Hosea 4:6 [AMPLIFIED]

Eyes for vision right?

The church of God has suffered a lot of damage both spiritually and from Satan and physically because of poor vision. Poor vision because of neglect of Christ's ways. Whoever is growing into maturity to being like Christ will certainly see as Christ sees and won't give several carnal judgment.

I see how some pastors copy the other pastors by deliberately introducing a worldly programme which gathers people, so that they can have a full house. God on special occasions may ask an appointed servant to do that just to catch a man, but don't adopt it as a worship programme. No! if you do that you'll only have succeeded igniting a strange fire in the temple and in the work of God, but guess what? It will burn you if you try it,

**Aaron's sons, Nadab and Abihu, each took his fire pan, put live coals in it, added incense, and presented it to the LORD. But this fire was not holy, because the LORD had not commanded them to present it. <sup>2</sup> Suddenly the LORD sent fire, and it burned them to death there in the presence of the LORD.**

Lev 10:1-2 [GNB]

**THE EAR**

The organ 'ear' is used for hearing for all owner. A man hear what is abnormal because he will not hear what speak until he sees the sign you give – but what if he is even blind also?

As for the church, for all these years back, we have lived in the dark sides of no ear and no eyes. We never saw battles coming to take positions for fight and we also didn't hear the shouts and yells of war cry against us to get us ready and alert to take positions for battles. Over the years, battles both physically and spiritually had defeated the church and what we see in our nations is the outcome of the deafness and blindness of the church.

Can you imagine a life that does not see and also does not hear? Do you see that it is very difficult for such a life to succeed an adventure?

A life like this can never receive a nation and a kingdom to rule. A person in this category will never win battles when they face enemies in the physical battles of life or battles of the Spirit.

Likewise, the terrible state of the church is really terrible. When we try to make our decisions all by ourselves, we only try to make crash programme. It is very terrible to live a life with no sight and no hearing.

Think of the church in this state. It is so pathetic but as you read this today, arise in repentance of pursuit of earthly treasures and then return unto search for the things of the Spirit. The church must hear the father's instructions to her and use it.

The hearing of the church is punctured with serious effect.

The desperate cry of unbelievers seeking for salvation is not fully understood by the church today and so, the church is just relaxed and still following self developed routine.

A lot of sinners heart cry rises to God and God wills for the church to hear their heart cry in deep desire to know the truth, but church has no regard for her head and so cannot hear their people's cry day and night.

Look, the fact that sin is on the increase and many more strategies for sin are been opened up and we can see that people of the world are really lovers of money and themselves rather than God. We can also see how they so much show their need for the gospel by going deeper and deeper in sin, but we have eyes but can't see; ears but can't hear because we disregard the head.

Whenever you see a man carry out an evil act, he simply tries to let you know that he really needs the help of the truth. But instead we sometimes just criticize them and neglect them, and other times we are tail bearers instead of intercessors on their behalf. No. the increase of sin by men is the sign of their earnest desire for truth. O, church, let's return unto Christ so that we can hear as the father hears and sees as the father sees.

We need to hear the cry of many hungry people in order to feed them; but when we hear-not; we will never give a thought for the predicaments of the hungry.

The ears of the believers at Jerusalem were opened to hear the cry of those who are hungry among them and their belongings were not personalized, each of them had their needs met and no one was hungry or needful among them whose needs were not met. Their ears were actively opened one to another and they all had a sincere concern for each other's needs. But when you take a cursory gaze into the church activities of some churches today, you barely see an arrangement for Christians to meet one another's needs; if not on special occasions like Christmas and new year celebrations were every one is glad sharing food with neighbours. Some just do it to fulfill all righteousness.

The Christians of our generation do not hear God speak to their hearts about the need of another brother or sister. Our selfishness has deafened us. A lot only wants to keep on hoarding, and having to make themselves comfortable and yet do not pay holy attention to those who suffer back in the body.

There is need for us to return unto our God and accept Christ's lordship over his body the church. It is only in that, that we can effectively disseminate the gospel and affect a lot more places.

The poor and needy cries out unto the church for help but we do not give the God kind of consideration unto them because we do not hear with the ears of Christ's love. God waits for the day when the church and individuals will arise to the feeding and clothing of the destitute on the street.

When will the church see feeding and caring for the unchurched citizens freely, as bait or an opportunity for reaching out to them?

Let's not think that mission outreach is the only way. Let's not conclude that preaching on the alter and building a multimillion worth of church structures is the way to show the world that our God is a God of wealth and plenty. Some Christians today even change fellowships because of lack of luxurious and very comfortable and well air-conditioned worship atmosphere. No. let's not think that is the way to display the riches of our God to the world; it is in the display of the life Christ. Preachers from now must focus on raising congregations that has, becoming like Christ as their utmost goal in the service of the lord who called them, as recorded in **Ephesians 4:11-13** and not raising a fashionable building to keep people. God knows best how to move people to raise a good place for worshiping him when you the preacher focuses on making up disciples for him.

Throughout all the letters written to the seven churches, Jesus Christ our Saviour through John placed a consistent emphasis and signature to that which is very critical to the church.

He will always conclude each of the letters with:

**He that hath an ear, let him hear what the Spirit saith unto the churches;**

And this he repeated in Revelation 2:7, 11, 17, 29; 3:6, 13, 22 [KJV]

The almighty God is omnipresent who is everywhere, he hears everything and also desires to share with the church what goes on that the church might hear him and arise to confront it, but since has no connection with its head, there seem to be no heavenly information coming

forth on which the church must act upon. Christ himself desires to give us warning which should guide as we walk towards him but we fail to hear a lot of his warnings and so severe disaster *overtakes* the church un-noticed.

The sermons we preach are no longer received from the throne of God freshly anymore. A preacher just gets up and is going to download a sermon re-visit an old message he once preached and for this reason, a lot of lives are not changed in our churches by the messages we preach unto them; a thief comes in and returns a thief, same a harlot or any sinner and this continues with them in the church for 5-10 years or over, and the spiritually deaf preachers will not see such.

Since we stopped planning how to run the church with instructions from the head above and owner of the church, we do not have access to the right utterances that keeps the fire burning and so we lack the utterances that keep the fire burning. O, I see how a lot more preachers struggle with and use different gimmicks to deliver a demon-possessed or heal the sick. I see how several preachers wonder why their congregation stopped growing spiritually and numerically. They do not notice that they've been running the body of Christ by the decisions taken in the council meetings [by men with whom for some, there is no time for the matters of the Spirit] and not words or instructions from the lord of the church.

I see how the church is not able to bring even just *three (3)* harvest of new convert souls in 5-10 years of establishment, and yet when it is time for religious obligation, the zeal of the people is overwhelming. Why? The church of Christ must have an **ENCOUNTER** with its lord once again in a worldwide revival, if not, we won't be ready yet for Christ's return.

The entire body of Christ and leaders of little Christian groups and fellowships that are members of the gospel of Christ must have to return unto Christ by completely and sincerely submitting every right unto him the lord of the church. Let's all take our bearing from Christ and Christ alone.

When you a leader of the church refuse to give attention to what God says about a matter, to a brother whose ear is active, you simply reject the authority of Christ's leadership over his body and you must repent now.

## **THE MOUTH**

Christ is right seated before the father on behalf of the church. He is always there to repent our cases to the father as an elder brother of the divine birth. He plays his role by pleading God on our behalf. He takes the father's word and speaks it unto us and we hear it by the Spirit.

Christ is the head of the church. In the head is the '*microphone*' of the body. All that the lord desires to pass on to the world in speech is only done with the instrumentality of our mouth as the possible channel.

Do you realize that the government shall be on Christ's shoulders? As Isaiah 9:6 says, yes. We have a voice in the leadership and administration of the world. The church is to declare and decree that which must happen in the society; but now we are not heard.

The church is to say out what God says unto the world so that they might hear God through a man but now, the church doesn't speak the truths she should, and the world does not hear truths that can set them free. I tell you, this is why despite the presence of the numerous churches in our nations, sin increases and wickedness is not halted. But the day church accepts this to preach Christ and his cross alone, hell will face a tremendous shaken that will bring Satan's kingdom to regrets.

I wonder how the church wants to declare the counsel of heaven and see it happen when we have renounced Christ by our decision and carnal crave for independence.

Look, the voice of the church is not heard. The church is not reigning as king with Christ on earth. The words of the lord which we speak should create sweetness in the earth and become the element of preservation.

The words of members of the church should act like the words of the father at every moment it is spoken.

Until a man carries the divine nature expressly, he can not utter divine oracles that make things happen. God was to dispel darkness and he simply called forth light.

The problem [of darkness] still surviving in the earth is because the church – the light does not speak out or declare a declaration for light by jointly, and agreeably broadcasting Christ Jesus and his death as the gospel that saves men. Whenever a Christian hears God's word and declares the word, the world will adjust to the word to become better, imagine what will become of this world if every Christian is to do this. If the preacher must see *transformation* in the lives of his congregation, you must speak forth the right words you learn from your being alone with the father.

Apart from the hearing difficulty, there is the speaking difficulty whereby Christians do not voice out the word of God concretely. When you do not preach out the **word** in the **world**, do not complain about what the world turns out into. You see, the authority of the words of God through the church is not effective in our days because of rejection of our divine life and source of our voice. We think that we are the mouth piece of the lord, but fail to know that, Christ is the head of the church; in the head is the mouth and that's why Christ seats up there for us pleading the father on our behalf. He does that by speaking for the church. The church in turn pleads the father through Christ for the world by praying with our lips from our heart. When we do not pray we will not see harvest. Revival breaks forth anytime there is correct *deep-hearted praying and correct preaching*.

When we return to Christ, we return to the divine nature, and every word spoken by the divine nature is *creative, transforming and refreshing*.

Speaking with regards to the head bring down God's approval on the spoken words and the word are made flesh.

Becoming like Christ is the pursuit of the church. When the divine nature is more formed in our lives, we become more productive and all the words we speak in the Spirit under the leading of the Spirit is surely executed for God's glory. Speak by the leading of the Spirit of Christ and you'd have spoken out of the bowels of Christ's nature in you.

Do you see darkness around you? Speak the word of God against it.

If the church must affect the world and lighten it up with the understanding of the *knowledge* of Christ, there's need for speaking out only that which is spiritual.

Let Christ address every matter for you and you'll surely be satisfied and peaceful.

Many times, we try to confront certain issues with our carnal words and yet get no desirable result. Return unto Christ and accept his leadership over you, let him undertake matters for you and you'll be surprised at the gainful result.

Because Christ is the head of the church, every member of the church must report to Christ who tells it to our father, and the father tells Christ the answer, the answer is passed unto us by the Holy Spirit. It is either the Spirit is asked to speak to the person troubling us or the Spirit is asked to comfort us, but each of these is done only when we return and rest in Christ Jesus, depending on him for survival. Christians are not to confront enemies by themselves. If your spouse is stubborn and wouldn't listen to you, simply report him to God. Christ the head will speak on your behalf to the spouse who is adamant to your own words, and he/she will behave well responsively.

Or do you have a child who will never heed your words? Report him/her to Christ the head of us all. In the head is the mouth, Christ will speak to the child for you and you will hold your peace. Not everything requires physical and sometimes carnal discipline. Finish the battle in the Spirit and win it. Christians need not stand and argue with someone else who offends him/her, however terrible. We have Christ as our mouth piece. He will address the enemy and you will see his power for your sake.

Let's learn to accept his lordship over us now and report every issue to him to help us out of. We are victorious in Christ Jesus. Amen.

The sinners can only hear and repent of Christ is allowed to speak unto them through you and me. Paul said, *'God is at work in you both to will and to do of his will and to do of his pleasure.'*

**For God is at work within you, helping you want to obey him, and then helping you do what he wants.**

Philippians 2:13 [TLB]

But until we believe this and accept Christ to speak through us to our generation, they cannot be harvest of souls and sinners will remain. Let Jesus speak through us to the sinners and they

will be transformed. Let Christ be your voice O preacher and your congregation will heed for the power of the divine nature that's in you which speaks to them.
