

Revival through in-depth and concentrated personal Bible reading/Bible study

The purpose of the Lord has always been that believers should remain revived, and keep on living the revived life, hence the fulfillment of the promise of the Holy Spirit to come and dwell in the heart of every believer, so that the victorious Christian life might be achieved qualitatively through the entrance of the word of the Lord.

Over the years there has been an attempt by many to trust the power of the Holy Spirit to bring about the move of God in every sphere of human strata, and this is usually powered by zealous believers and followers of the Lord Jesus Christ who desires to and longs for the spread of the knowledge of the glory of the Lord, in order to bring about the fulfillment of the Old Testament prophecy in Hebrew 2:14 – “For the earth will be filled with the knowledge of the LORD, as the waters cover the sea.” It is also reason why the Father had to send His Word down to earth in human form – Jesus Christ. Jesus is the visible manifestation of the invisible God. God also desires that all be reconciled unto him, so that they may be restored to their true spiritual status, hence the miracle of the new birth – the new creation man, taking shape in the heart of everyone who comes to Christ for such transformation.

The new life which all believe receive in Christ what has been transcribed into the written form as the Word of God, the content of the Holy Bible carried by its readers in all possible formats, be it electronic (Bible App.) or printed (Hardcopy Bible).

There has never been a revival which stood the test of time without the frequent reading/study of the word of God with deep meditation, done personally or in group of united believers (the church).

Every new believer in Christ is born of God as a result of the Word of God. “For you have been born again. Your new life did not come from your earthly parents because the life they gave you will end in death. But this new life will last forever because it comes from the eternal, living word of God.” 1 Peter 1:23

This is because, every one born of God is not supposed to perish; all flesh is as grass, and the glory of every natural man is as the flower of the grass. The grass withers, and its flowers fall away. But the word of the Lord will last forever (1 Peter 1:24-25). It is designed to exist eternally. This means if you are born of an eternal sperm (seed of life) you carry the potential of living eternally, a life without end, and this is only possible when any man embraces the Good News that is being preached about by the obedient believers who accept the ministry of a herald of the Good News.

This therefore implies that the only way for true revival fire to be sustained through the times is when much prayer and daily communion with the Holy Spirit is done with much concentration on the word of God. A good knowledge of the true word of God in quantity and quality is as firewood is to fire. Prayers keep the fire of the Spirit ever sharp and always burning, firewood sustains the ignited and burning fire; the Holy Spirit is the oil that every virgin (believer) must carry and to never lack.

There are 1189 chapters in both the Old Testament and New Testament combined

together.

This is a bible reading and study plan that aims at raising the consciousness of believer who profess faith in the Lord Jesus Christ, and who want to live a victorious Christian life in the call they've been given by Christ unto salvation.

These plans are relatively suitable for every category of Christian, from the newest convert to the oldest man in faith. It is recommendable for all kinds of Christian, who want to make their faith in Christ worth it. The Christian faith does not end at verbal proclamations, but the doing of the word of God that is inherently established in the heart of a believer.

Jesus began to do and teach (Acts 1:1-2). It is expected that you know the content of the \holy scriptures from Genesis to Revelation, such that even though you may not be gifted at cramming it all in your brain, you at least can say a verse correctly and have a content that the Holy Spirit can remind you of when the adversary comes to tempt you anywhere, anytime. In moments when it becomes uneasy to hold the -Bible in your hand, or use a bible software, it is the word you have known that will keep you, so that, even in an environment where there exist great hostility against Christ and every article of the Christian faith, you invisible intranet (known word) is what will keep you. The three young Hebrew boys that were brought to Babylon survived all the hard trials because, Lord they had given time to the laws before they were captured to the foreign land; there, they found it difficult to either attend the temple rituals or hear the laws being read, yet they endured their trials and temptations-the laws stored up within helped them.

As you sacrifice a long time to do study of the word of God, you'd also be giving the Lord the quality times he needs to show you a lot of secrets he's also wanted to show you. God speaks to his children more through the scriptures; therefore, those who are more committed to the course hear the Lord more accurately than those who just depend on dreams and visions to take their decisions. If you've been afraid of going through the entire word of God at least once, determine to confront your fears today. You can never change what you will not confront, because even your fear fears you more than you fear it.

In fact, do not forget that every other Christ-based novel is sourced from the holy bible. Therefore, if you are enjoying a wonderful derivative of the scripture, then you should determine to rehearse the entire scriptures so that you can be a good discerner of all that people write and preach about your Saviour-Jesus Christ.

Below is a brief statement and summarized outline on the various bible reading plan you can simply adopt anytime, anywhere and suitable for all, including Children, Teenagers, Adult, those in courtship, a couple, bible clubs, Clergy, (Ministers of the gospel of Jesus Christ), Students/Pupils, Applicants/Workers, Politicians etc.

Remember: "Ezra had devoted his life to..."

1. Studying the Law of the LORD, to

2. Practicing it and to
3. Teaching all its Laws and regulations to the people of Israel. (Ezra 7:10)

Do this, not because you want to be a preacher, but primarily so you may obey everything written therein by practicing it, and then teaching it secondarily. (Joshua 1:8-9)

There are 1189 chapters in Both the Old and the New Testament of the bible; 950 chapters from the Old Testament and 239 chapters for the New Testament, and this is for the Christian bible. There are 27 and 39 books in the Old and New Testament respectively.

Bible reading category

The bible can be read through in using several divisions but, in this booklet we shall look into three sub-categories namely:

1. Canonically: This plan prepares its texts in such a way as a reader can go straight through the Bible from Genesis to Revelation.
2. Chronologically: Readings are compiled according to recent historical research, taking into account the order in which the recorded events actually occurred.
3. Historically: Ordering is based upon research regarding the order in which the books were authored.
4. Old Testament (OT) and New Testament (NT) mixed: This takes you through the bible with the various books evenly divided according to the time of reading.
5. Old Testament alone
6. New Testament alone

The best method chosen depends on individual decision as to what one really want to achieve at a particular time, but most importantly, as the Holy Spirit directs.

Other things to do while reading

The Bible is not a story book, or a textbook for intending poets, it must be reads with diligence and deep concentration for its spiritual and wholesome benefits. Every reader or student of the bible is counseled to practice and adopt the following attitudes when looking into the scriptures.

1. Be intentional

2. Be disciplined
3. Be courageous
4. Write down your commentaries. This is as each book, chapter or verse opens up for you. I personally became more familiar with how the Holy Spirit explains the bible through the means of reading, meditating and writing down commentaries and summaries. These are the truths that will form the bedrock of your own personal spiritual foundation, because, with the Holy Spirit with you through the reading process, you will learn of God's mysteries personally, and be grounded in them, as a disciple, and with your heart and your mind ever opened to receive from the Lord and believing that all he teaches you is the correct, your spiritual growth is sure, having been laid on a foundation of truth and faith, without which no man shall see the Lord (Hebrews 11:6)
5. Get a new notebook, ranging from 40 leaves to the hard cover note books (depending on your financial strength at the moment, since you can always buy new exercise books to continue when one finishes.) all the books on which your commentaries were written down upon should be numbered and documented together; you may even bind them together using any means available for you, and that works best for you.
6. Whenever it's time for you to do your studies of scriptures, keep yourself away from them, or keep all the domestic distractions at your sight and your reach away from you; this includes: your mobile phones, television, and all things that satisfy your lustful and carnal appetite.
7. You can select a quiet place where no one can disturb you; ensure you have carried out all that you're required to do before settling down to avoid unnecessary disturbances.

10 Chapters daily for four months:

This reading plan is cool for singles, and even those who are in courtship, to help them prepare properly for the wedding year, to be firmly equipped for the new home they plan to raise based on the word of God; as it can help to harmonize their individual capacity of the knowledge of the word of God, instead of going out on dates and spending time on physical and outdoor ventures or, those already married. It's also a 120 day's bible reading plan.

If this plan is adopted, anyone can be through with the entire Christian bible within four (4) and three times through it before the end of the year, hmm, that's exciting, right!
