

## QUALIFYING TO KILL THE GIANTS

Often times, we are so much found to be full of zeal within ourselves; zeal unto doing God's own work, zeal unto putting off the fire of sin from our land, zeal unto putting out the darkness of sin and evil looming over the surface of the earth. This desire to halt iniquity is a godly one, a feature which first exhibits inside of God our creator. He who was living from the beginning noticed how darkness covered the surface of the earth where he was about to do his work of creation. He simply commanded that there should be light and it was so.

This desire to put out evil and fight the giants that stands in our way against the advancement of truth to all mankind is for obedience unto God who asks us in Isaiah 60:1, to arise and shine because, his glory rises to shine over anyone who arises in obedience. But for the standard of life which guarantees a man-assurance for approval and qualification into being enlisted among the army and generals who can fight and kill the giants of this world where in we live.

A lot of Christians are not aware of this and many so think that as soon as you receive Jesus as your personally lord and Saviour, you are just there. No, there is a *preparatory class*; there is a training which you must go through there is an exercise of the Spirit which God will deliberately take you through against your flesh and against the world's giants, and this is because, the battle against these world giants is not physical only; it is a battle of the Spirit and we know that the weapons of our warfare are not carnal, but are spiritual and mighty through God to the pulling down of every strongholds and casting down every imagination of the world that wishes to exalt itself above the knowledge of the word of the lord.

The training you shall be given is also not physical, although it has to do with the dealing of your physical flesh. The training has in it the course that teaches you how to handle the various spiritual weapons of our warfare and how to effectively make use of them to fight the lord's battle and break up the drawn *battle line*, taking the battle right into the *heart* land of the prince of this world in order to bring out our brother and our lovely sisters, who are still lost but yet with the same predestination along with us who are already entering our destiny.

God does not use people whom he has *rejected*. People like Saul-son of Kish of the tribe of Benjamin could not be use used of the lord to fight and win more than two battles for the lord victoriously. Saul led the Israelites army against the giants of the Ammonites and conquered, he also led the Israeli troops against the philistine giants and God gave him victory. At the third battle where he was to fight with and pull down the giants of the Amalekites, he misbehaved and that marked the last battle he fought for the lord, which brought about his down fall; his selfish desires were not dealt with.

It will be better not to start fighting the lord's battles when you're yet undone than for you to start it however well you may, and later misbehave; why bring an end to your existence too early. Deal with all the habits of the human nature inside of you first, so that you can actually see the giants well and right place God would point out for you to strike them and get victory, just as he did with David and pointed to him the forehead of goliath.

We must therefore submit our neck under training by the lord, so that we can be taught, trained and tested fir for his battles. He must transform and renew our hearts [from the ways of the flesh] unto the new life found in Christ with the divine nature. It is the man who is taken in training for the life of the divinity [the divine nature], led by the Spirit, purified, sanctified, and consecrated by Christ and made ready in obscurity, by the finished work of Christ through the instrumentality of his blood, Spirit and the word- that is the man that would be qualified to pick the armour, handle t he lord's weapons and can go into battle against the giants of this world. It is the man who is completely purged from every kind of sinful habit of the flesh, completely purifies in thoughts, renewed in mind and thought according to the new life in Christ Jesus, that is the man whom heaven can qualify to fight heaven battle.

It is man who has the life of the kingdom of God in earth that can be used to fight the battle of the kingdom of God here on earth.

The man who is qualified to take up the weapons of God's warfare, is the one that has been conquered by God completely, on every side and on every area of his life.

He is the man with whom there cannot be found any vice, or any property of the prince of this world, the master of the giants.

He is the man who has no fake ID CARD of any sought or fake certificates.

He is the man without a wrong NECO result and WAEC result in use. You cannot be saying you are in Christ, with the new and yet you are carrying a school result someone helped you to acquire and you want the lord who is against you for that issue, to still come to you and hand his weapons over to you to fight the giants of stealing and examination malpractice of any type at all. The holy Spirit of God would not lead you to use what the devil gave you.

Before you are approved and qualified by the work of Christ on the cross, to be used to bruise the head of the serpent [the results of man's fall], you must not have the corrupt nature still living inside of you. You must not be carrying the old seed-the Adamic nature living inside of you.

Part of this training to be qualified involves you, casting down all those certificate, results, contract papers, stolen items, forged agreement papers, stolen land and property and every kind of thing that you are expected to fight against, because the lord deeds them and hates those who practice them. There are the giant we must fight. You cannot be doing evil and expect to be used of God to fight that same evil; you would only be fighting yourself. ***"A kingdom divided against itself cannot stand."***

You must first have to withdraw from that office where you are, which you are by a wrong means of appointment.

You will be required to withdraw your appointment letter and the job you do, which followed the wrong way of getting it. God in this school of discipleship will rebuke you for giving a wrong date of birth [reduction or increment] just to gain a favour; ***"for what shall it profit a man if he gains the whole world and loses his own soul."***

You will be surely required to cast down everything at the feet of Jesus' cross, things which you got by the wrong means and method. ***"Be ye holy for I am holy."*** That is what the lord has said unto us.

Those things and those sins which easily beset us have to drop down.

Moses was being called by God to come and rescue the Israelites from Egypt. His was a call to battle against God's Egyptian enemies (giants of slavery and oppression). After all the forty years at Jethro's school of discipleship, God still required that he (Moses) should pull off his shoes at the event of the burning bush.

Everything we ever get by our strength, energy, wisdom, by our intelligence and knowledge is not a useful weapon for God, to fight the giants. We must drop down [lay aside] every weight, every false knowledge and be free for the lord to use exhaustively. God needs us to be light in his hands before he can send us out as an army prepared.

You need to also know that, he does not need your natural input to do his work on the earth, to bring down the giants in our corrupt offices and everywhere they are scattered; he rather wants that you'll ride on the wings of his strength, mercy and grace, deliberately declaring before him our weaknesses, casting our crowns and our abilities [down at his feet in humble helpless surrender] before him as naught that the *Excellency* of the power Christ's cross might be manifest in your life, in the winning of his enemies.

## **LOOK NOT ON THE HEIGHT OF HIS STATURE**

*“And it came to pass, when they were come, that he looked on Eliab, and said, Surely the LORD's anointed is before him.*

*But the LORD said unto Samuel, Look not on his countenance, or on the height of his stature; because I have refused him: for the LORD seeth not as man seeth; for man looketh on the outward appearance, but the LORD looketh on the heart.*

*1 Samuel 16:6-7 [KJV]*

The attitude of the lord in the school of ministry where he prepares his men of war is excellent and totally opposite to that of men's ways.

Can you imagine that God didn't choose all seven of Jesse's grown up sons, who with very many added advantages were already enlisted in Saul's armies-they have even fought battles in the army before now even before this time?

It then means that, they are all very skilled men with the use of sword, bows and arrows, and other weapons of war available for them. In fact, it is very obvious that they must have their own amour uniforms as fighters. They had a good fighting skill and ability, they have faced and fought many physical enemies all the

way and definitely would be qualified for kingship- from human point of view to become king of Israel, who would eventually lead the Israeli army into battles against the lord's enemies.

They were not looked upon with God's eye of favour and approval; in fact it would be mercy on the destiny of Israel that made God not to consider any of these seven sons of Jesse. But they had all the capacity and all the human qualification for leadership (wisdom, certificates, intelligence money fame, power, influence-in our own days) and to kill giants if they are anointed; even Samuel the prophet of God saw Eliab the eldest and yet was deceived unto concluding that ***"surely the anointed of the lord stands before him."*** It would have been the foundation of the most deadly disaster for Israel if he anointed the young man. The destiny of precious Israel would have remained in almost an eternal jeopardy, if the lord's prophet had anointed Eliab or any other of the seven sons of Jesse.
